

To High School Art Teachers,

Katonah Museum of Art is excited to launch the 37<sup>th</sup> year of **Young Artists 2020**, our annual high school art exhibition! This packet provides all the information needed for your school to participate in this unique opportunity.

*Young Artists* invites students to participate behind-the-scenes in all aspects of mounting a museum exhibition. The first component of this program is the **Graphic Design Workshop, Tuesday, November 19, 2019**, in which students, led by graphic design educators, create the *Young Artists 2020* invitation. In January and February, senior students' artwork is selected by teachers, framed, and delivered to the KMA for the exhibition. After the artwork is received, representative students from each school participate in curating and installing the exhibition. Artists, teachers, family, and friends are invited to the **Opening Reception on Sunday, February 9, 3 – 5pm**. The *Young Artists 2020* exhibition will be on view February 9 – March 1.

To participate in *Young Artists 2020*, your school must pay the annual fee of \$275 for the KMA School Program. Please let us know if you would like an invoice sent to you. With this participation fee, you may also take advantage of unlimited class tours of KMA exhibitions at no additional charge, including the current exhibition, *Sparkling Amazons: Abstract Expressionist Women of the 9<sup>th</sup> St. Show* and the spring exhibition *Bisa Butler: Portraits*.

The enclosed documents will give you all the information you need:
