SupraEnvironmental is made possible through support by Victoria and Stephen Morris, with additional support from Winthrop Conrad Jr. The Katonah Museum of Art is supported in part by Arts Westchester with support by the Westchester County Government, The New York State Council on the Arts with support of Governor Andrew Cuomo and the New York State Legislature.

THE KATONAH MUSEUM OF ART:

The Katonah Museum of Art, committed to presenting exceptional art from all cultures and time periods through innovative exhibition and education programs, promotes the understanding and enjoyment of the visual arts for diverse audiences. The founders' decision to be a non-collecting institution resulted in a dynamic and flexible exhibition program, which remains one of the most distinctive features of the KMA. The KMA offers lectures, films, workshops, concerts, and other events for a general audience; and presents innovative and substantive programs for over 100 member schools. Our Learning Center is the only interactive space in Westchester County where children can come to explore and create art on a daily basis.
