## **THE KATONAH MUSEUM OF ART:**

The Katonah Museum of Art, committed to presenting exceptional art from all cultures and time periods through innovative exhibition and education programs, promotes the understanding and enjoyment of the visual arts for diverse audiences. The founders' decision to be a non-collecting institution resulted in a dynamic and flexible exhibition program, which remains one of the most distinctive features of the KMA. The KMA offers lectures, films, workshops, concerts, and other events for a general audience; and presents innovative and substantive programs for over 100 member schools. Our Learning Center is the only interactive space in Westchester County where children can come to explore and create art on a daily basis.
