Education Internship

The Katonah Museum of Art seeks a Museum Education Intern for September 2018 – June 2019 to be part of the KMA Education team to assist with, learn from, develop, and facilitate programming geared toward family and youth bilingual audiences. The internship provides a valuable opportunity to partner with experienced educators on curriculum design and facilitation of early childhood and family programs, as well as the implementation of engagement efforts for immigrant and Latino audiences.

Duties / Responsibilities / Projects:

- Attend docent training sessions and prepare to assist with and lead school tours for fall and spring exhibitions.
- Support ArteJuntos/ArtTogether Family Art and Literacy initiatives:
Taught in both Spanish and English, this multi-session family literacy program utilizes artworks and concepts from KMA's exhibitions as primary source material for art-making activities and inquiry-based discussions. The program takes place at the KMA, as well as preschool classrooms and community organizations, and culminates in an exhibition of participants work.
 - Assist with on- and off-site facilitation of art workshops and gallery visits for bilingual youth and family audiences
 - Develop projects and gallery activities related to exhibitions on view
 - Assist with preparation of art materials for on- and off-site programs, and culminating exhibitions
 - Photo document program and assist in preparations for culminating exhibition of students' work.
- Assist with Park School Integrated Arts Program (PSIA)
A three-part integrated arts program conducted with 13 pre-K classrooms in Park Elementary School, Ossining NY.
 - Under the guidance of Helena Vidal, KMA's Outreach Consultant, prepare lessons and materials, facilitate select sessions
 - Lead tours for pre-K and Kindergarten groups
- Help develop and facilitate family programs including Imagine it! Afterschool activities (1 per month), Family Days in the fall and spring, artist-led workshops, and drop-in projects on school vacation days. Support program documentation and evaluation efforts for on and offsite programs
