

**Katonah Museum
of Art**

Visitor Code of Conduct

By reserving your timed ticket, you agree to adhere to the Visitor Code of Conduct and to play your part in keeping the Museum safe for both visitors and staff.

Health and Safety

The Museum is committed to keeping its visitors healthy and safe. We ask that each guest observe the following list of guidelines and policies.

Health and Safety

- Masks are required for all visitors (ages 2+), regardless of vaccination status.
- Outdoors, masks are optional for all. Hand sanitizer is available for your use when you enter the Museum and in the public areas.
- Children under 2 years old are exempt from the face coverings requirement.
- Outdoors, masks are optional for all. Hand sanitizer is available for your use when you enter the Museum and in the public areas.

Safety Procedures

The Museum is operated in accordance with guidelines established by New York State. We ask that you observe all signage and instructions at the Museum, and we reserve the right to ask anyone not following safety measures to leave the premises.

Liability

By reserving tickets, you confirm that you are aware that visiting the Katonah Museum of Art includes risks arising from possible exposure to communicable diseases, including COVID-19. You knowingly and voluntarily accept this risk and assume full responsibility for any injury, illness or other loss that you may sustain as a result.
